

Flex Up Your Team

epMotion™ 96 Flex: Your smart 96-channel liquid handling device

We understand that your lab team is the driving force behind innovation. That is why we are excited to introduce our 96-channel pipetting system, the epMotion 96 Flex – your new favorite team addition. With its smart features, the epMotion 96 Flex is designed to elevate your lab's performance.

- > Enables fast and easy liquid handling in both 96-well and 384-well plates
- > Exchangeable dispensing heads
- > Ergonomic handling, even in biosafety cabinets
- > Touchscreen user interface with intuitive software
- > Dispensing heads calibrated according to the ISO 23783-2 standard
